

Eugene Astronomical Society

Explore the Universe with us

PO Box 591, Lowell, OR 97452

www.eugeneastro.org

Members of the Eugene Astronomical Society are dedicated to astronomy and sharing the wonders of the night skies. EAS members are from all walks of life, with one common interest. Some may only view the skies with unaided eyes learning the constellations, while others use binoculars or telescopes. A few of us are just getting started; others have decades of knowledge to share.

The Eugene Astronomical Society is an Oregon non-profit corporation with IRS 501(c)3 tax-exempt status. Membership and contributions support EAS programs and the upkeep of club telescopes and equipment and future projects. The society holds membership meetings on the third Thursday of each month at 7PM at the Science Center planetarium, 2300 Leo Harris Parkway, Eugene OR. Meetings feature speakers with presentations on topics of interest, current viewing opportunities, telescope help and star party planning. The EAS also holds monthly star parties on the Friday nearest the first quarter moon on the College Hill Reservoir at 24th and Lawrence streets in Eugene. EAS has been providing our community with astronomy education outreach for many years. What sets us apart is our commitment to sharing the eyepiece with the public.

VOLUNTEER STATEMENT & RELEASE

I hereby acknowledge that I am freely donating my time and services to the Eugene Astronomical Society (EAS). I recognize that there are risks inherent in my volunteer activity which could lead to me sustaining injuries. I will be personally responsible for my actions and safety while volunteering my time and services. I hereby release EAS, its agents and members, together with any public or private entities on whose premises my volunteer activities may take place, from any and all liability for negligent conduct in connection with my volunteer activities. I hereby acknowledge that I do not have any criminal history that would affect my interaction with minors.

Print full name & date of birth _____.

This information is restricted and not for public use or disclosure. However, EAS may forward copies of this release to public or private entities that may require it in connection with EAS activities.

I have reviewed the EAS Bylaws (available online at www.eugeneastro.org under "EAS Policy") and agree to abide by them. I have read the articles of incorporation and understand that EAS is a 501(c)3 organization. I agree to uphold club policies and conduct codes while at club functions or acting in any official club capacity.

I understand that photographs, images and videotape may be made at club functions and public events and may be used in news, promotion, brochures or club website or other related websites and newsletters. *By joining the club I give my permission for use of images that may include me.*
